RE SOL

I've been hearing symphonies

si- SOL

Before all I heard was silence

RE SOL

A rhapsody for you and me

si- SOL

And every melody is timeless

RE SOL

Life was stringing me along

si- SOL

Then you came and you cut me loose

RE SOL

Was solo singing on my own

si- SOL

Now I can't find the key without you

si-

And now your song is on repeat

LA

And I'm dancing on

SOL

To your heartbeat

And when you're gone

si-

I feel incomplete

LA

So if you want the truth

SOL si-

I just want to be part of your symphony

LA

SOL

Will you hold me tight and not let go?

si-

Symphony

LA

SOL

Like a love song on the radio

si-

LA

SOL

Will you hold me tight and not let go?

I'm sorry if it's all too much.

Every day you're here, I'm healing.

And I was running out of luck.

I never thought I'd find this feeling.

Because I've been hearing symphonies.

Before all I heard was silence.

A rhapsody for you and me.

-A rhapsody for you and me-.

And every melody is timeless.

And now your song is on repeat.

And I'm dancing on.

To your heartbeat.

And when you're gone.

I feel incomplete.

So if you want the truth.

I just want to be part of your symphony.

Will you hold me tight and not let go?

Symphony.

Like a love song on the radio.

Will you hold me tight and not let go?

And now your song is on repeat.

And I'm dancing on.

To your heartbeat.

And when you're gone.

I feel incomplete.

So if you want the truth.

I just want to be part of your symphony.

Will you hold me tight and not let go?

Symphony.

Like a love song on the radio

Symphony.

Will you hold me tight and not let go?

Symphony.

Like a love song on the radio.

Will you hold me tight and not let go?
